[The ICDE Operational Network launch is announced](#)

In recognition of the importance of strengthening cooperation and reinforcing the impact of activities of the International Council for Open and Distance Education (ICDE) and its network of members globally, ICDE have launched a regional Operational Network.

The Operational Networks are known as:

ICDE Operational Network Mediterranean and Southern Europe

ICDE Operational Network Boldic

ICDE Operational Network Asia Pacific

ICDE Operational Network Africa

SVERD är regional partner i samarbetet med ICDE, The international Council for Open Online Education, ICDE, 2 år

Node	Area
<i>African Virtual University, AVU, Kenya</i>	<i>More than 30 countries in sub-Saharan Africa</i>
<i>Swedish Association for Distance Education, SADE/SVERD, Sweden</i>	<i>Nordic and Baltic Countries in North of Europe</i>
<i>The International Telematic University UNINETTUNO, Italy</i>	<i>Southern Europea, Mediterranean and Arab countries</i>
<i>Universitas Terbuka, UT, Indonesia</i>	<i>Asia - Pacific</i>

The purpose of the ICDE Operational Network

Strengthen ICDE as membership driven organization and offer a regional localised support structure

Strengthen the visibility and representation of ICDE around the world and increase ICDE's operational capacity, global insight and it will support global knowledge exchange

Gard Titlestad, ICDE Secretary General said "We are very much looking forward to working in partnership with the regional ICDE Operational Networks. It enables ICDE to offer a more localised, personalised on the ground, support network system and offer its members regional tailored events and resources, something that is very much needed".

For the regional partners, the benefits of being an ICDE Operational Network is extensive. It enables them increased regional and global visibility, access to ICDEs' extensive global network and insight into the daily operations of ICDE, the leading global membership organization for open, distance, flexible and online education, including e-learning.
